

# **Welcome to 4<sup>th</sup> Grade**

**We are excited to have your child in 4<sup>th</sup> grade next year. To be successful in reading, students need to be able to read fluently, write a paragraph, and be able to answer questions about what they read. To be successful in math, students need to know their addition, subtraction, and multiplication facts fluently. They also need to be able to read a number with 6 digits and add and subtract with carrying and borrowing.**

**Any resources are used by all in the classroom. We ask that students NOT bring mechanical pencils, markers, or pencil boxes.**

**Our classroom needs...**

- **wooden pencils**
- **colored pencils or crayons**
- **3 packs of wide ruled paper**
- **3 reams of copy paper**
- **headphones**
- **2 boxes of tissues**
- **sanitizing wipes**

**If you have any questions or concerns, please let us know.**

**Thanks!**
