

Media Release

Photographs/Video Release to Media, for Community display or on the school website:

If there is a security or personal safety problem with a picture of your child being released to the media or for display in the community or on the school website, please print, complete and send this form to the school office.

My child is NOT to have a picture or video of her/him released to any outside sources for her/his security.

Student Name _____

Parent/Guardian Signature _____
